This artistically designed chesterfield is a successful contemporary interpretation of an age-old design. Meticulously hand crafted using professional skills handed down over many generations, each piece is individually hand cut and then tailored by a single bench trained craftsman and accurately lock stitched by our quality trained seamstresses to produce an attractive, luxurious and contoured piece of the finest quality. The model consists of hardwood frame glued, screwed and dowelled; full coil mesh top spring unit throughout.

A choice of cushion interiors are available, from sumptuous Dacron®, luxurious duck feather or strata reflex foam. Scatter cushions are duck feather as standard with the option of fibre.
